

3100 Safety Track

Non Slip Tape – Grit Tape – Anti Slip Tape

Boeing approved to the BMS10-115 Type I Specification

Jessup Safety Track 3100 is a commercial grade non-skid silicon carbide 80 grit tape that has been designed to meet OSHA standards for general purpose anti-slip surface applications.

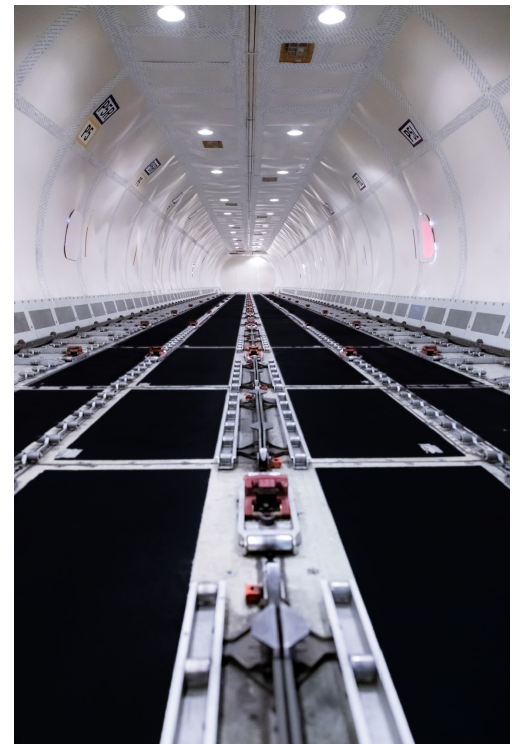

Jessup Safety Track® 3100 is designed for indoor and outdoor applications that require long-term anchorage to a wide variety of surfaces.

Product benefits:

- Weight saving – 3100 = 1.43 oz/sq. ft vs 3M 610 2.08 oz/sq. ft (significant weight reduction with an improved product)
- Tensile strength
- Flammability Pass

Available in a wide range of tape widths and tread sizes and can be laser cut into any shape.
